

Kindergarten

WEEKLY NEWS

We welcomed in May this week which means graduation is next month. The children are beginning to learn their songs in Music class for the big day! We still have so much to accomplish and many fun events with the children as well. It was so nice to meet your child's special people. It is always one of my favorite days! What is even nicer is that we begin our day together at church; we are blessed that our school community is so close. What always astonishes me is the growth of each child and this year is no different. They continue to amaze me with their reading skills. We have just started the unit on two dimensional shapes in Math, so we will continue with it this week. One of our Fun Friday activities is completing Mad Libs! They are really great for learning the parts of speech as well as laughing hysterically at the outcome! The collection of non perishable items for the Faith Food Pantry has been extended to next Thursday. We are so fortunate not to have to worry about purchasing food, let's help those who do. Thank you to Mrs Brennan for the great door!

DATES TO REMEMBER

May 8 - Mother's Day Tea
May 10 - No school, Professional Development Day for Teachers!
May 22 - Field trip to Beardsley Zoo.
Monday - May 26 - No school, Memorial Day
