Mrs. Karen Wojtowicz

From the Teacher

We had fun this week with Mrs. Tortora from the library. She comes once a month to do interactive readings with our students, and brings wonderful new books and puzzles.

And speaking of books, our Enchanted Book Fair is coming next week. Please visit the Fair on your Conference Day. On Wednesday, the Kindergarten and Preschool students will take part in a special story and craft time at 9:45. Monsignor Weiss will be the special reader. Grandparents and special persons are invited to attend!
