## WEEKLY NEWS

Happy St. Patrick's Day! Since I am of Irish descent, I ALWAYS love this holiday! Please join us for our celebration on Monday afternoon at 1:15. Mrs. Pendergast did an outstanding job decorating our door! I am very thankful and amazed at the door decorating talent of all of you! Our Lenten Mission Drive is gaining momentum! This is such a wonderful witness of your child's faith! Giving to others less fortunate pays its rewards tenfold. If you have a Kindergartener or know someone who has one, please join us on Thursday, March 21st, 6PM for our Kindergarten readiness program. A St. Rose education is well worth the investment! The children did such a good job on their Math test and their Journeys end of unit assessment. One of our activities this week was working in teams. The children had to write a complete sentence (everything spelled correctly) with proper punctuation and capitalization. I am proud to announce every team spelled all their words correctly with proper capitalization. We are working on remembering our punctuation!!!
