

Dear Families,

I wanted to take this opportunity to express how thankful I am for all the generous gifts received, your kind words and thoughtfulness are greatly appreciated. I'm so thankful I had the opportunity to be with your children and I'm so proud of how much they have grown. Your support and generosity over these last 6 weeks has made the transition for both me and your children a seamless one. It has been an incredible journey and even though our time was short it was filled with so many achievements. I can't wait to hear about all the amazing accomplishments in their future. Wishing all a wonderful and restful summer!

All my best,
Mrs. Tanya Cicarelli
