**From the Teacher**

The children did such a wonderful job singing at their Christmas concert. With the snow falling and their sweet voices filling the air, it certainly felt a lot like Christmas.

We also had a lot of fun on Wednesday making gingerbread houses with our fourth-grade buddies. In the classroom, the children are busy making Christmas decorations and gifts that they can't wait to bring home.

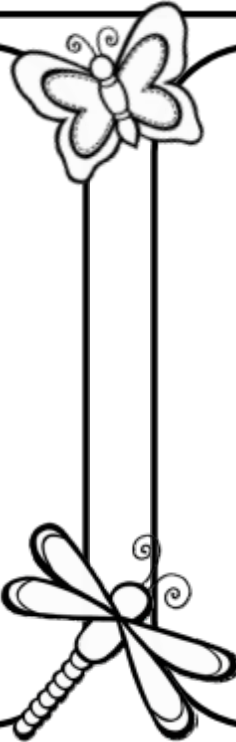

**What We Are Learning**

**Religion** - We lit our "Faith" candle on the Advent Wreath and discussed what being faithful means. We filled our stocking for Jesus with "Jesus Acts of Love".

**Language Arts** - We learned to write the letter Nn, and we practiced identifying all letters taught to date.

**Math** - We practiced 1-1 correspondence with Christmas trees and stars.

**Art/Fine Motor** - We made gingerbread houses, and painted our creche stables and figures.
