

April 26, 2019

Dear Parents,

Spring has finally sprung! Today was Day 147 out of 180. I can't believe the year is almost over.

On Wednesday, the class has their Lesson 25 Spelling Test with the ou/ow words. I have already sent a copy home and you can find them on the attached Focus Wall. *Please practice with your child.*

On Friday, we have Special Person/Grandparent's Day. Please make sure you send back the Dismissal Form for this day. We need to know if your child will be dismissed with their special guest or will be going on the bus. I'm looking forward to meeting 1M's special guests. Please look at the detailed email from the school regarding this day.

Starting on Monday, I will be giving Minute-Math drills to the class. The goal is for each student to be fluent with their addition and subtraction facts by the end of first grade. The class will be getting 2-3 Math Drills per week.

Your child should be reading EVERY DAY at home. The more they read, the stronger reader they will become. Monthly Reading Logs will go home on Monday. Please fill them out and send back on the due date.

Looking ahead, the students will have no school on Friday, May 10th due to Teacher Professional Development.

If you would like to donate any Clorox wipes to the classroom, it would be much appreciated!

Thank you for all you do!

Sincerely,

Miss Miksad

April 26, 2019

Reading: See attached Focus Wall

Math: Students will start to learn about two-dimensional shapes.

Writing: Students will continue to learn and write their Realistic Fiction stories.

Religion: Students will finish learning about God's forgiveness. We will also be getting ready for Special Person's Day.

Science: Students will continue to learn about the Three States of Matter.

Social Studies: Students will continue to learn about people's cultures and customs.
