

January 18, 2019

Dear Parents,

*The class has pledged their promise to try their best to obey our Classroom Rules: Be Safe, Be Responsible, Be Respectful, and Be Kind each and every day in Room 104. Please reinforce these at home.*

With Catholic Schools Week quickly approaching (Jan. 28-Feb. 1<sup>st</sup>), we will be kicking off this fun week with *the Knowledge Trivia Bowl on next Friday, 1/25* from 1:00-2:30pm in the Gathering Hall for Grades PK-8. Your child has been assigned a team (Red, Blue, Green, or Yellow) and will need to dress down in that particular color on Friday, 1/25. **Please check out the attached document and let your child know their specific, assigned color. I will also remind them of their colors closer to the date.**

**Our next Spelling Test is this coming Friday, 1/25. The class now has 12 words.** I have attached a Spelling Board that can be a helpful tool to use at home when studying. You do not have to use it but if it helps, that's great! Please continue to send in those Reading Logs. My hope is that every child is not only getting practice at school but also at home. This time will build strong readers!

**The class will also have a Math Test on Place Value on Friday, 1/25.** We will be having Review Days on both Wednesday and Thursday this coming week so they will have enough practice to be ready. Please continue to practice the math facts at home. The Math Fact Drills will continue until June!

**Please remember to send your child into school with a water bottle, their Blue Take Home Folder, their Planners (we have started to use them, Mon-Thurs.), lunch/snack, and an appropriate coat.**

Thank you for all you do!

Sincerely,

Miss Miksad

**Reading/ELA/Phonics:** See attached Focus Wall

**Math:** Students will finish learning about place value.

**Religion:** Students will learn how the Holy Spirit helps the Church grow.

**Social Studies:** Students will continue to learn about our changing world.

**Science:** Students will learn about Weather and Seasons.

**Writing:** Students will continue to learn about Opinion Writing.
