

October 12, 2018

Dear Parents,

I can't believe we are already in the middle of October. **October seems like it will be a busy month with Picture Day on the 22nd, our Field Trip on the 25th, and Halloween on the 31st.** You will be hearing more about our class' Halloween Party from my room parents, Mrs. Nordt and Mrs. Peters soon.

The Scholastic Book Orders are due no later than next Friday, October 19th.

The orders usually take a few weeks to arrive at St. Rose. Please remember to use my class code so I can submit the orders under my class name and get free books for the classroom. The classroom code is: **QKP3J**.

The selected chaperones for our field trip will be hearing from me sometime on Friday (today). I will announce the names once I hear that the selected chaperones are still available and interested to go. Again, I wish I could bring every parent but it's just not possible!

Please read and reread those Uniform Guidelines I sent you. The uniform is an important piece to St. Rose School so please follow the handbook.

Good news! I'm almost done with the class' DRAs. It's taken awhile to find enough quiet time to complete them but I am chugging along. It's been great to work one-on-one with your child. Once DRAs are done, sight words come! I will be assessing students on their sight words every other week.

Continue to use Raz Kids at home. This is a great resource to use that is personalized to your child's reading level. The class has also been using Raz Kids in the Computer Lab every week.

As usual, students will be having their next Spelling Test on Friday, October 19th. I will be sending home a copy and you can also find them on the Focus Wall. The class is doing so great on their Spelling Tests! Keep up the studying! Please continue to send the signed Reading Logs into school every Friday.

Please remember to send your child's Blue Take Home Folder, a water bottle, an appropriate jacket (when the weather gets colder), a snack, and a lunch into school every day.

October 12, 2018

Reading: See attached Focus Wall.

Math: Students will continue to learn about Subtraction Concepts.

Writing: Students will continue to write their Small Moment Stories.

Religion: Students will learn how Jesus wants us to show love and live our daily lives.

S.S: Students will start to learn about where people live.

Science: Students will continue to learn about Animals (Amphibians and Fish).

Thank you for all you do!

Sincerely,
Miss Miksad
