

Kindergarten

WEEKLY NEWS

We started off the week with a visit from Dental Associates. They did a fantastic job explaining to the children how to take good care of their teeth. We celebrated the life of Martin Luther King, Jr. The children after listening to stories about him wrote about their own dreams. In Science, we had our freezing and melting experiment. It was quite amusing as the guesses for how long the small bag of water would take to freeze ranged from 1 minute to 5 days. They each took turns visiting the freezer to see if their guess was the winner. In Math, we are problem solving and preparing for addition and subtraction. the children also made pattern mittens. In Religion, we continue to work on being kind and discussing Jesus's miracles. How fortunate we are that God is so welcome in our classroom! We have enjoyed making our sock snowmen; thank you to Mrs. Criscuola, Mrs. Falter and Mrs. Jackson for assisting the children with the measuring craft. Kindergarten has the hallway bulletin board this month and it will be adorned with penguins and polar bears!

DATES TO REMEMBER

January 25 - Knowledge Bowl with the whole school. Details to follow about what color your child can wear that day.

January 27 - Open House at St. Rose - 1 to 3 PM Catholic School Week begins on the 27th. More information to follow about all of the fun!

SIGHT WORDS

I	me	am	their
You	be	a	an
