

**Dear  
2019**

**Parents,**

**Happy Easter and welcome SPRING! It has been wonderful to spend the weeks leading up to Easter with your children. If only I could bottle their compassion for others, their willingness to forgive, and their openness to share their love for Jesus. God must certainly smile with great joy to behold them.**

**Thank you for allowing me to be apart of their spiritual growth and development as well as their social and intellectual development. A sincere thank you to everyone who has come in to participate in a special activity or story with “SuperstartStar” of the Week” It is remarkable to witness past students come back to read to their sibling’s classmates. The kids have really enjoyed having Mom or Dad come too. I always say, enjoy it now because they grow so quickly. Thank you again. I feel so blessed to have such supportive parents as partners!**

**It is hard to believe that April is upon us. And we are so grateful that spring has finally sprung! This month we will**

investigate and enjoy wonderful aspects of spring. We will especially focus on planting and gardening, new creation and growth. I would love to have some help from parents with a green thumb to help us with planting our own seeds. I would like to do some planting in the back of the school as we celebrate Earth day towards the end of the month.

**Language:** The children have been exposed to much of the letters in the alphabet. At this point in the year, they should be able to identify most of the letters and most of the sounds. There are many silly and fun games that you can do with your child on a daily basis to help reinforce the alphabet. The internet is an excellent tool too!

**Math/ Science:** The children will continue to work on 1 to 1 correspondence as they work with seeds, flowers, chicks and eggs. This is my favorite time of year in science, the children will experiment with the changing season, new growth, seed growing and towards the end of the month we will set up our own habitat and we experience the changes in new creation with tadpoles and caterpillars. Again, if anyone would like to come in and plan a project with the children, we would love to have you.

**Please send in 12 filled plastic eggs for the Easter Egg Hunt by THURSDAY APRIL 11<sup>TH</sup>.**

**Spring break will be April 15<sup>TH</sup> -----□ 22<sup>ND</sup>, Enjoy!!!**

**God Bless! We pray that the joy of the risen Lord will remain with you and your family!**

**Miss A. Delaney**

**IF YOU HAVE NOT ALREADY DONE SO... PLEASE SEND IN THE FOLLOWING MATERIALS**

**2 ROLLS OF PAPERTOWELS**  
**1 CONTAINER OF HANDWIPES**  
**2 CONTAINERS OF CLOROX WIPES**
