

# Terrific Threes

We have had a very creative week. The students worked together to make leprechaun traps. They also made a Seuss animal to add to Gerald McGrew's Zoo. St. Rose is having a Mission Drive in the form of a raffle. Tickets are one dollar each. The money raised will help those in need. The prizes are stuffed animal. Please support the Mission Drive.

## Literacy-

We continue to work on our names. The students found each other's names. They did really well with this activity.

Matching letters and sounds.

Rhymes Seuss Books, matching

Rhymes

Letter S
