From the Teacher

Our hallway was full of squeals of delight when the children found their shoes filled with prayers and candy canes from St. Nicholas. They had prayed and worked hard all day to be "good" so St. Nicholas would come. It is one of their favorite SRS traditions.

The first candle in our Advent Wreath has been lit, and we sing our Advent song every day as we prepare for Baby Jesus' birthday. Excitement (and glitter) are in the air!

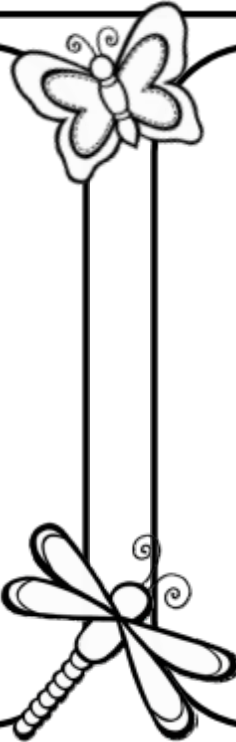

What We Are Learning

Religion - we read an Advent story called "A Stocking For Jesus" and are busy filling our own stocking with special prayers and "Jesus Acts of Love".

Language Arts - we matched rhyming words. (Try this with your kiddos - they love it!)

Math - we practiced adding and subtracting with the poem "Five Little Reindeer".

Art/Fine Motor - we used our fine motor skills to make a Santa Claus collage and Rudolph the Red Nosed Reindeer.

Reminders

- On Wednesday we will be making Gingerbread Houses with our 4th-grade Buddies. Thank you for sending in the boxes of graham crackers. I can't wait to see the children's creations!

- Our Preschool Christmas Concert will take place on Thursday, December 13, at 10:00 a.m. in the Gathering Hall. We are expecting a special visitor!
