Dear School Families:

I am delighted to announce the appointment of Mrs. Tanya Cicarelli as the Interim Fifth Grade Teacher at St. Rose School. Mrs. Cicarelli is ideally suited for this position as a trained educator who specializes in the Middle Grades and as a parent of three children - Wyatt (SRS Class of 2015), Colton (SRS Class of 2017) and Savanna, a rising Seventh Grader at St. Rose School.

Mrs. Cicarelli earned her M.A. in Education from Fairfield University and held positions at St. James School in Stratford and St. Rose School, teaching Math in Grades 5-8. She believes strongly in Catholic education and has been part of the St. Rose family as a parishioner, parent and teacher for a combined 21 years. "I believe that I offer a unique perspective that sheds light on the parent/teacher relationship. I am also acutely aware of how critical it is to meet each child where they are at in their learning journey. I have the experience and knowledge to help them excel at the current curriculum as well as to build the foundation that will enable them to flourish as Middle and High School students," said Mrs. Cicarelli.

The administration and faculty of St. Rose School have been working directly with Mrs. Cicarelli to bring her up to speed on the Fifth Grade class and will continue to work closely with her as she takes on this role. Mrs. Cicarelli is dedicated to making the transition a smooth and healthy one and is fully committed to every student in her class. She looks forward to meeting you and partnering in your child's education.

Please join me in welcoming Mrs. Cicarelli to the St. Rose School family. If you have any questions or concerns, feel free to email me.

God Bless,

Mr. Bardhyl Gjoka
