The Saint Rose School Grocery Challenge

Buy groceries. Give Back.

Many of you already do boxtops for success, or have enrolled in Amazon Smile to benefit the school. These programs *cost nothing* and SRS benefits.

What if there was another way you could give back to SRS without writing a check?

Consider participating in the SRS SCRIP Grocery Challenge!

What is SCRIP?

SCRIP is a dollar for dollar exchange. Simply put - you buy a gift card to a SCRIP retailer at face value and use it to pay for everyday purchases. SCRIP retailers then give rebates to the school.

Grocery rebates average about 5% which means that for every \$100 you spend in groceries, SRS gets \$5.

How does the Supermarket Challenge work?

- 1) Complete a *one-time* enrollment form (see back)
- 2) Designate your bi-weekly or monthly grocery denomination and preferred retailer(s)
- 3) The SRS SCRIP team will provide an email reminder to send in your money
- 4) Send your money to school with your child and the SCRIP team sends home grocery cards.
- 5) Go shopping!

Sample breakdown of how SRS can benefit from your *annual* grocery purchases at no additional cost to you.

Purpose	Retailer	Rebate	Monthly Amount	Total Spent/Yr	Total Rebate to SRS
Groceries	Big Y*	5%	\$400	\$4,800	\$240

*Grocery retailers include: Caraluzzi's, Big Y, Stop & Shop, Shoprite, Stew Leonard's

BONUS:

Elect to use the program at least once per month and your family will be entered for a chance to win money towards free uniforms
