

Dear Families,

The children did a wonderful job during our IOWA testing this week. If your child was absent for any reason, we will issue makeups beginning on Tuesday. The results will be issued mailed at a later date.

We are enjoying the warmer weather and excited to get out during recess. Please continue to dress according to the weather as it changes from day to day. Additionally, label your child's clothing even if you receive it from a uniform exchange.

The First Communion Workshop is on Sunday March 24th @ 10:45 in the Holy Innocents Building. Your child along with at least one adult is asked to attend.

We were excited to dig our fossils and find the items we buried in clay.

This week some fun things are going on in some of the other grades. The 4th grade is doing the invention convention and the 5th grade is presenting a living museum.

Enjoy your weekend.

God Bless,

Mrs. Heyder

**Religion:** We will finish our unit on Liturgy of the Eucharist and have a test on Tuesday. Vocabulary- Liturgy of the Eucharist, Eucharistic Prayer, Lamb of God, Sign of Peace, Holy Communion.
