

Dear Families,

Thank you so much for sharing your children and families with us. Special Person/Grandparents Day was a huge success. We are grateful to be part of a loving community. The children sang so beautifully at mass and they worked very hard to bring joy to all.

We were also happy to bear witness to the crowning of Mary during the mass. Julianna and Matthew represented 2nd grade in the procession. Please remember to share all your photos of the exciting events.

Our First Holy Communion is on Saturday at 10 am. Plan to bring your child dressed and ready by 9am to Holy Innocents building. If it rains, there will be a sign on the door to proceed directly to the church.

Thank you to all those who contributed seeds and bulbs to our science lab. In our exploration of the life cycle of a plant. They were amazed at what food source is inside a seed. I have attached some pictures as well.

There will be no school on Friday, May 10th for professional development. Our spelling test will be on Thursday, May 9th.

We will have our spelling test on Thursday this week.

Enjoy your weekend,
God bless,
Mrs Heyder
