From the Teacher

Boy, that was the fastest week ever! We squeezed in some fun learning and started preparing for Thanksgiving. On Wednesday we went to the "Enchanted Forest Book Fair" to hear Monsignor Weiss read and then we made garden gnomes.

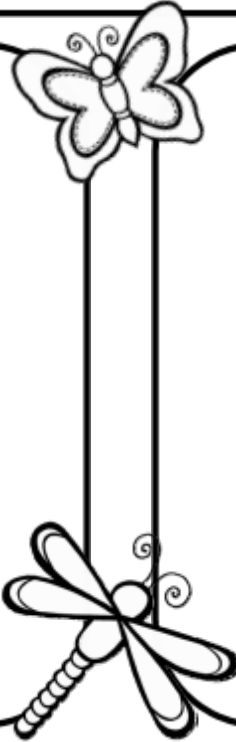

It was wonderful to meet with all of our parents at conferences. I had many informative and constructive conversations, and I feel our children are all headed for great things this year. Thank you for taking the time to meet with me.
