

We Welcome our new School Counselor, Mrs. Carlie Meyer

Mrs. Carlie Meyer joined the St. Rose School staff today (10/26) as the School Counselor. She has a BA in Education/English from Towson University and an MA in School Counseling from Fairfield University. After teaching Language Arts for several years, Mrs. Meyer pursued her school counseling degree to fulfill a desire she had all along to help students work through various issues and situations.

Mrs. Meyer comes to us with a solid school counseling background. She will be at St. Rose Tuesdays, Thursdays and Fridays during school hours. She will work closely with faculty and administration and will be a resource for students in need of her services.

“I am delighted to become a part of such a welcoming and genuine community,” said Mrs. Meyers.
