

WEEKLY NEWS

We are almost finished November, unbelievable! This coming Sunday marks the beginning of Advent. We will display an Advent wreath in our class and the children will learn the meaning behind this great season of our church. We will each choose a name for our Advent angel. The children will be asked to pray for them every night and at our Christmas party, present them with a small token of love! It is to be no more than \$5. We can try keeping it a surprise, but knowing Kinders, this will be near impossible! If you do not want your child to participate, please let me know. Our Christmas party is scheduled for Thursday, December 20th at 1:15PM. There will be a signup genius sent by Mrs. Jackson in the coming days! The journal writing of our Kinders is quite different from September! I am so pleased with their progress. I am sure they are trying to sound out everything! Please keep reviewing sight words with your child, 25 to date! They gain such confidence with their reading when they can recognize familiar words! In Math, we are moving along with our numbers!
