

# Kindergarten

## WEEKLY NEWS

I hope you all enjoyed a wonderful Easter and the spring break with your children. They have returned to school very excited to see their friends again and to get back to work! Thank you to Mrs. Hatfield and Mrs. Peters for presenting a program on Money Smarts to the Kinders. They really enjoyed learning about money and how to save it. We discussed at length that Jesus is now risen and sits next to his father in heaven, God. In Math, we have completed our unit on sorting (a test will be given shortly.) The children enjoyed making their ladybug Math project. Each child was given an addition or subtraction problem to solve and then write the problem and answer on the ladybug. The answer would be how many spots it has on it which I have been told is it's age. I believe I was told that as a child as well! We celebrated Earth Day by watching a video, reading a few books and making our Earth Day project. The tree seedlings which arrive every year for the children have been delayed. Expected delivery is next week. We will be planting flowers soon!

### DATES TO REMEMBER

**May 3- Grandparent/Special Persons Day! Noon dismissal!**  
**May 8 - Mother's Day Tea**  
**May 10 - No school, Professional Development Day for Teachers!**  
**May 22 - Field trip to Beardsley Zoo. Any chaperones?? Info to follow shortly!**

### SIGHT WORDS

I	me	am	their	eat	of
You	be	a	an	all	some
like	play	we	him	so	would
the	she	five	her	do	from
and	give	seven	that	this	take
at	he	two	look	find	your
see	can	have	what	when	over
my	with	down	went	very	could
