Mrs. Karen Wojtowicz

From the Teacher

Needless to say, we are happy/sad teachers today. Mrs. Vitarbo and I have been with your incredible children for two years (with the happy addition of Keaton and Charlie), and they have been two of the most amazing years of our careers. We can't begin to tell you how often an administrator, parent volunteer, or Specials Teacher has told us what an unusually awesome class this is. You should be very proud of your children (and of yourselves)! Thank you for giving us the honor and joy of teaching your beautiful children. God Bless You!

Learning Focus

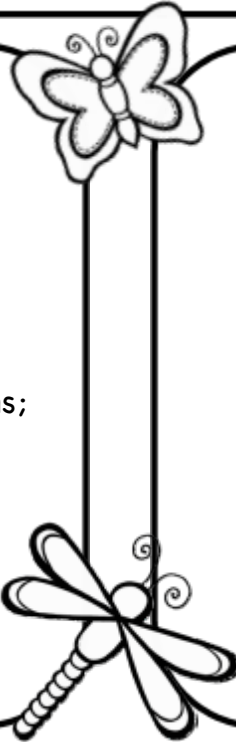

Religion: being thankful for our school and our friends

Language Arts: review of all letters and their sounds

Math: Review #1-10 and patterns; writing numbers

Science: sun safety

Art/Fine Motor: Fathers Day surprises; water colors

Thank You

- Thank you to Mrs. Bartning for being an extremely organized, aware, and helpful Room Parent. It was so nice to have such a great back-up person supporting us and making our jobs easier!
- Thank you to Mrs. and Mr. Blank for giving us a fantastic field day once again! The children enjoyed the relay races, bubbles + chalk, parachute, treasure hunt, obstacle courses, and, of course, the bouncy house. I hear they all slept very well that night. I know we did!

Moving Up Ceremony

Monday, June 10, 10:00-11:00 am, in the Gathering Hall. Children should be walked into the preschool building between 9:30-9:45 (no car line drop off). Families then proceed to the Hall. Please see Mrs. W for your diploma after the ceremony. I will be in the lobby, so I catch everyone as they leave. Sniff, sniff.
