

## WEEKLY NEWS

Fall is here! We have now bonded as a class! Academics are in full swing; the children are enjoying Math, Language Arts, Science, Religion and all the specials as well. They are beginning to learn the proper mechanics of handwriting. You will notice shortly that they no longer will be writing their name in upper case letters. This week, we enjoyed our magnet experiment in Science. The children learned the words hypothesis and conclusion. We spoke in length about Jesus as our friend in Religion. They will be going to Mass for the first time next Friday; you are most welcome to join us at 9 A.M. in the church. We have begun exploring proper church behavior! Our field trip to New Pond Farm is scheduled for Wednesday, October 17th. If you are virtus trained and would like to be a chaperone; please let me know. The form has been send home with your child; please return by due date with your check made out to St. Rose School. Thank you to the Falter and Jackson families who donated items for the treasure box. The Criscuola family sent in an adorable pumpkin!

<u>DATES TO REMEMBER</u>	<u>SIGHT WORDS</u>	<u>REMINDERS</u>
<p><b>October 6th - 60th Year Celebration of St. Rose</b></p> <p><b>October 8th - No School</b></p> <p><b>October 14th - Open House, please tell your friends about our great school!</b></p> <p><b>October 17th - Field trip to New Pond Farm, more to follow...</b></p>	<p>I You like</p>	<p>With the cooler weather approaching, please make sure all jackets etc are labeled.</p> <p>Winter uniforms begin on October 1st, please consult handbook for details.</p> <p>Please send in any bottles or cans for our collection.</p>

## UPCOMING WEEK

Religion - The Holy Spirit guides us, more about the Mass and Bible stories

Math - Writing the numbers 4 and 5, review of 2 and 3 which can be tricky, patterning

L.A. - More nouns ( people, places and things) word walls, understanding characters

Science - push and pull experiment
