

## WEEKLY NEWS

I hope you all had a wonderful Valentine's Day spent with those you love! The children certainly enjoyed making their Valentine pillows and your coupon books. Be sure to redeem those coupons! Thank you to Mrs. Duras, Mrs. Falter, Mrs. Flynn, Mrs. Jackson, Mrs. Nagy (Eva's grandma) and Mr. Pendergast for assisting the children with their Valentine people, the wrap our buddy with streamers, giving out Valentines and snack. It certainly was a lot of fun for them! We are really moving along with our reading; I am so excited for the children as they discover new doors to open! Subtraction has started! The children just completed a Math test as well. We had our first three word spelling test, a copy came home in your folder! Can you believe they are encoding as well as decoding words now? We also are talking about what makes a complete sentence. They know they must have a subject and a verb. Keep practicing those sight words. We will be learning about Presidents Washington and Lincoln in honor of Presidents Day. The journal is entitled, If I were president...., FUN!

### DATES TO REMEMBER

**Monday and Tuesday - February 18 and 19 - No school, winter break!**  
**Upcoming events: Our St. Patrick's celebration and International Week. We have adopted Ireland as our country. If you have anything you wish to lend for our display table, kindly let me know!**
