

October 26, 2018

Dear Parents,

We had a busy week full of fun with our School Picture Day and more importantly, our first field trip of the year!! A big THANK YOU to Mrs. Friary, Mrs. Franson, Mrs. Nordt, and Mrs. Schaff for all of your help!

On Thursday, we had a great time learning about our five senses and animal adaptations in the Learning Labs at the Discovery Museum. We were also lucky enough to see a planetarium show about the sun, stars, and our planets! The class also had A LOT of fun exploring the museum exhibits after lunch.

This coming Wednesday is Halloween. We will have a Halloween Class Party in the classroom from 1:45pm-2:30pm. You should have received an email from Mrs. Peters and Mrs. Nordt, my room parents about this. During the party, students may wear their costumes (they must be school-appropriate!). If you plan on taking your child home after the party, please let both Mrs. Wong and I know. Thank you!

We will be going to Mass on Thursday of this coming week INSTEAD of Friday since it is All Saint's Day.

Since the weather is getting colder, please send your child in with an appropriate coat/jacket or they will be sent to Nurse Bonnie.

As usual, the class will have their next Spelling Test on Friday, November 2nd. I will be sending home a copy and you can also find them on the Focus Wall. **Please continue to send the signed Reading Logs into school every Friday. (I've been getting less and less)**

Every day, please remember to send you child's Blue Take Home Folder, a water bottle, a snack, and a lunch into school.

October 26, 2018

Reading: See attached Focus Wall

Math: Students will continue to learn about Subtraction Concepts.

Writing: Students will continue to write their Small Moment Stories.

Religion: Students will learn about the Church Year.

S.S: Students will continue to learn about where people live.

Science: Students will continue to learn about animals.

Thank you for all you do!

Sincerely,

Miss Miksad
