- Preschool Graduation -- June 4th
- 8th Grade Class Night via Zoom/Last day of school for 8th grade -- June 4th
- Kindergarten Graduation -- June 5th
- 8th Grade Graduation -- June 6th
- Moving Up Day Grades K-7 -- June 9th
- Virtual New Family Meet & Greet -- June 9th
- Last day of school Grades 1-7 -- June 10th

CALENDAR UPDATES

- Pick up/drop off materials at school -- June 11 & 12 (details to follow); outside only, teachers will pack up items
- Report cards, Edmentum test scores, Summer Bridge work -- parents will be contacted mid to late June
- Teachers will communicate areas of focus for summer work for each student
- School will remain in contact with parents with important updates throughout the summer

PROGRESS THROUGH PARTNERSHIP

- Dynamic Distance Learning experience -- direct result of dedication, enthusiasm and faith of faculty, parents and students.
- Ongoing, open communication a key factor.
- We all learned and grew in new and exciting ways.
- We stayed connected on screen and through distance visits.
- THANK YOU, parents, for your ongoing trust and support of us. Your children are a gift; their health, safety and education are our top priority!
- We are BONDED -- whether on site or from afar the St. Rose School family is strong -- that's why we have a BRIGHT future!

FALL OUTLOOK

- Goal -- to be on site as we start the 2020-2021 school year following all safety measures; if virtual we are prepared
- First day of school K-8 -- August 31st (follow Newtown schedule)
- First day of Preschool -- September 8th
- Back to School Night/HSA meeting -- September 10th
- Ms. Elaine Smith is retiring -- job posted/interviews beginning
- School Counselor will begin in the Fall
- Same budget for Mandarin -- job is posted. If we cannot fill the position 8th graders will have the option to take the class virtually with Mrs. San
- Enrollment at 228 -- parent testimonials and word of mouth KEY!

FINANCIAL UPDATE

- Great accomplishments since last May when a \$335,000 deficit was discovered
- Made strategic internal changes to reduce operational costs without sacrificing quality. \$125,000 technology upgrade strengthened and empowered us for distance learning; removal of portables = significant savings
- Successful fundraisers. Results of #Giving Tuesday in November and the Blooms Benefit in February = \$150,000 fundraising goal. THANK YOU for your support of these critical outreaches that enable us to keep SRS healthy for the future
- Our hope and expectation is to end the year with a **BALANCED BUDGET!**
- Ahead -- FOB security system installation -- estimated \$18,000

WE ARE ALL
IN THIS
T♥GETHER
