### 9/21/18 Classroom News

### From the Teacher

We had a wonderful week in the 4-Day Fours. Everyone is learning their classmates' names, and new friendships are being formed. The children are doing a terrific job presenting their All About Me Posters, which teach us that God made each of us wonderful and unique. The students also are excited to get their turn being the Helper of the Day who "reads" our schedule, leads our line, and flashes the lights during transitions. We also celebrated Keaton's fourth birthday this week.

### What We Are Learning
