

Dear Lord

We ask for your sweet blessing  
upon our families, friends, and  
special persons. Go before them  
and clear away the obstacles that  
may be in their way. May your  
hand of protection be upon them.  
May they feel the warmth of your  
embrace. May they experience  
encouraging love, joyful love and  
your love in all its wondrous forms.

Amen

Happy Special Person's Day!
