

## WEEKLY NEWS

Can you believe October begins on Monday? There are many fun events this coming month. If you wish to be a chaperone for the field trip and have not let me know yet, please do so ASAP. Chaperones are free and will ride the bus with us. If you have not given Mrs. Jackson your contact information, please do so right away. She will be sending out emails on my behalf and I wouldn't want you to miss anything. We enjoyed a fun push and pull experiment in Science this week. The children have now added the word procedure to their scientific words! In Religion, we learned about Abraham and Issac and how the Holy Spirit guides us. Sister Thaddeus gave us a tour of the church and spoke about proper church behavior. We will now go every Friday at 9AM, P.E. clothes may be worn, but no shorts. Our handwriting is coming along slowly, but we will get there! Please make sure all homework is completed in pencil. In Math, we have completed 4 and 5 and the number zero. We are working with a number line and learning what falls between. Nouns galore in L.A.!

<u>DATES TO REMEMBER</u>	<u>SIGHT WORDS</u>	<u>REMINDERS</u>
<p><b>October 6th - 60th Year Celebration of St. Rose</b> <b>October 8th - No School</b> <b>October 14th - Open House, please tell your friends about our great school!</b> <b>October 17th - Field trip to New Pond Farm!</b> <b>October 31 - Halloween celebration!</b></p>	I You like the	Winter uniforms begin on October 1st, please consult handbook for details. Please send in any bottles or cans for our collection. Please empty all folders everyday. Any change in dismissal requires a note or an email. Please send in any old magazines for us to cut up.

## UPCOMING WEEK

Religion - More about the Mass, Bible stories, prayers

Math - greater than, less than and equal, counting to 30

L.A. - Nouns for things, journal writing, more sight words, more letter sound work

Science - healthy vs. not healthy foods, we will make charts using magazine clippings
