

## **Robinson's Rock Stars Weekly News**

---

I hope everyone had a wonderful Spring break! It was so endearing to witness the HUGE SMILES on the children's faces as they were welcomed back to school. It is true what they say- "You never have to work a day in your life when you love what you do!" :)

We celebrated Earth Day by learning ways to care for our world. Although the children are just beginning to appreciate the wonders of God's world, they are learning to understand how to take care of it. I am truly proud of them!!!
