

Dear Families,

As we approach our final week before break, I want to thank you for your generosity in giving to others during this Christmas time. You are a model to your children to show what it means to be giving and loving for those in need. Please remember to sign up for our Adopt-a-Family program through the sign up genius created by Mr. Gelson. Please remember to wrap and label the presents.

Our Christmas Concert will be on Tuesday, December 18th @ 6p.m. The children are to dress up in their holiday best. Please arrive at the church no later than 5:45. The children will sit with their class and you are to take their jackets. They will sit with our class for the entire concert. There will be no homework that evening.

This week we will be reviewing concepts in reading and language arts. We will not have a new Journeys unit. We will have a review spelling test on Thursday, December 20th and the words will be in the Friday folders.

There will be no extra help this week.

Thursday is our class party from 1:30-2:30. The children can bring in a book for the book exchange. This is voluntary, of course. Parents are welcome to come to the party as well. Please notify us ahead of time so we can put together a list for the office. Additionally, the children can wear their pajamas that day as we earned our class reward.

Please join us for mass on Friday as we celebrate as a community.

Enjoy your weekend.

God Bless,

Mrs. Heyder

Religion: We will take a break from our units and celebrate Christmas.

Math: We will be completing our unit on place value and have a test on Thursday, December 20th. Vocabulary- Compare, equal to, greater than, expanded form, place value, digit, hundreds.

Science: We will be completing our unit on changing states of matter and having a test on Tuesday, December 18th. Vocabulary-Burning, mixture, condensation, evaporation, water vapor,
