

## Welcome to First Grade!

Dear Families,

I hope you have an enjoyable and relaxing summer. I'm excited about the opportunity to get to know you and your child. This is going to be a very busy and rewarding year for your child. I will make every effort to make your child feel safe, comfortable, and happy in my classroom!

One of your child's first grade goals will be to read and write independently. We will do this every day in school and you will be amazed at how quickly your child will catch on. They will also begin to spell words correctly, understand math concepts, participate in hands-on activities, work independently and collaborate with classmates. I look forward to challenging your child and meeting his/her individual needs.

Sincerely,

Miss Claire Miksad
