Re: 2018-2019 St. Rose Basketball Season

All boys and girls in grades 5-8 are encouraged to try out for a team in the upcoming 2018-2019 basketball season. It is a great opportunity to have fun, improve your fundamental basketball skills and support your school by representing St. Rose in the Danbury Parochial League. We send a special invitation to the girls. We would love to have both a girls JV and Varsity team this year. This is a low pressure league where fun and fundamentals are the primary focus so please consider giving it a try. You might make some memories that will last a lifetime.

Here are some of the particulars:

*Tryouts for boys will be on Wednesday, September 19th and Tuesday, September 25th.
JV (5th / 6th grade) 6:00-7:30PM, Varsity (7th / 8th grade) 7:30-9:00PM

*According to league rules 4th graders can only attend tryouts if there are not enough 5th and 6th graders to field a team. Notification will be sent to the 4th grade if spots are available.

*There will be no parents allowed in the gym during tryouts. An independent evaluator will select the teams.

*There are no tryouts scheduled for the girls teams at this time but if turnout warrants them they will be scheduled in a timely manner.

*There will be a minimum play requirement for all league games (excluding tournament and playoffs) of two minutes per half for each player in good standing.

*There will be a mandatory parent meeting Thursday, September 6th at 6:00PM in the school library to go over expectations for the upcoming season and answer any questions.

***Prior to tryouts all athletes must submit a completed registration form and have an up to date physical documented on the blue state Health Assessment Record form.** These forms can be found on the school website under the Athletics tab.

*If your child makes a team the fee for this season is \$250 (check payable to St. Rose School)

If your child would like to tryout please e-mail their name / grade to athletics@stroseschool.com and attach the registration form. Please respond by September 12th so we can properly gauge the level of interest for each team. Thank you and I look forward to seeing you all on September 6th.
