

**4-Day Fours**  
**11/30/18 Classroom News**  
**Mrs. Karen Wojtowicz**

**From the Teacher**

It was an exciting week for our preschoolers as they watched the cheerleaders and basketball players at the Pep Rally on Monday, and then cheered the football players at the Annual Turkey Bowl on Wednesday.

And now the Advent season has arrived and we are preparing to celebrate the birthday of Baby Jesus. We began by making pretty Advent Wreaths.

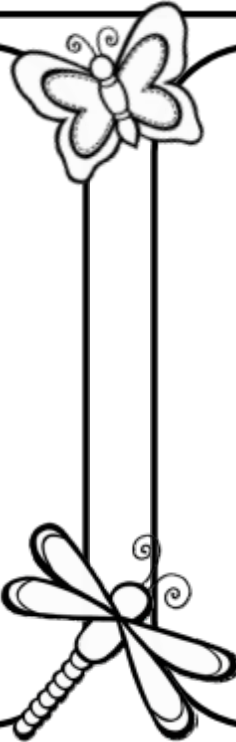

**What We Are Learning**

**Language Arts** - we practiced writing the letter Ee; identified and sorted the letters T, H, F, L, I; and learned the nursery rhyme "Peter Peter Pumpkin Eater"

**Math** - we made A-B patterns with stampers

**Science** - we made predictions and observations when carrying out a "volcano" experiment

**Art/Fine Motor** - we practiced directed drawing to make "Mat Man" and "Rudolph"

**Reminders**

- Please send in with your child a **small** shoe box with lid for a Christmas project. We will need these by Thursday, December 6.
- A gentle reminder to send your children with hats and mittens as we will continue to go outside for recess as long as possible. And preschoolers should leave all of their beautiful jewelry and watches at home to keep them safe and to cut down on distractions.

**Important Dates**

- December 13 (Thursday) - Preschool Christmas Concert at 10:00 a.m. in the Gathering Hall (Please Note: there are no preschool classes this day)
- December 20 (Thursday) - Pajama and Movie Day in Mrs. W's classroom!
- December 24 - January 1 - Christmas Break
