

## OUR STORY

National Charity League, Inc. (NCL, Inc.) Elevation Chapter is local non-profit organization of mothers and daughters based in Douglas County, Colorado. Nationwide there are over 280 Chapters.

The mission of NCL, Inc. is to foster mother-daughter relationships in a philanthropic organization committed to community service, leadership development and cultural experiences.

Through the mother-daughter relationship, it is our vision to develop strong women leaders serving and impacting communities today and for generations to come.

## CORE VALUES

- Honoring the mother-daughter bond by learning and growing together.
- Empowering women with the skills and confidence to lead.
- Nurturing through mentorship.
- Inspiring a legacy of social awareness and compassion.
- Providing depth of support in local communities.
- Integrity and excellence in all actions.

## HOW THE PROGRAM WORKS

Daughters, while in grades 7-12, alongside their mothers, participate in a six year program of community service, leadership development and cultural experiences. Through unique community service opportunities, regular meetings, special cultural events and an annual tea, each mother and daughter will fulfil their philanthropy and league service obligations and uphold the core values of NCL, Inc. with integrity and excellence.

## OUR THREE PILLARS

**Community Service** - Each NCL, Inc. Chapter promotes social awareness by considering the local community's needs and selecting appropriate non-profit organizations to serve. Each Chapter then supports its philanthropic partners through hands-on volunteer activities.

**Leadership Development** - Members have opportunities to engage in experiences that build essential skills, such as confidence, consensus and team building, event planning, conflict resolution and parliamentary procedure.

**Cultural Experiences** - We promote cultural values and traditions that shape the NCL, Inc. role and contributions in our communities. We celebrate our history through traditions that honor the past while serving the future. We embrace values that make us strong as an organization and build connections through experiences that shape and support our lives.
