

End-of-Year Teacher and Staff Gifting with SCRIP

Details and Dates:

How: On MySchoolBucks, staff are listed under “BFA - PTO SCRIP Gifting” and grouped by grade or category. Select the appropriate grade or category to open the group window. Use the dropdown menu to select the staff member you’re gifting and enter your gift amount in the “Amount to Pay” box. If you would like to share your student’s name (name only, not amount) with the recipient, please check the box. Repeat as many times as needed until all of your staff gift orders have been placed. And, don’t forget to check out when you’re all done.

A form for preschool-only families will be available online by April 6. The completed preschool form and a check may be mailed to the address provided on the form and must be received by April 17.

When: Collections will take place April 11-17. Gifts will be delivered to the staff by the end of the year.

Where: Online via MySchoolBucks; pay by credit card.

Why: BFA receives fundraising dollars from SCRIP in the form of a rebate, ranging from 2-21% per gift card. This rebate is a result of buying the gift cards in bulk and does not affect the staff gifts. Monies received back from SCRIP are spent on PTO-funded programs at school, such as the all staff end-of-year luncheon.

The SCRIP gift-giving program replaces any other class gift/collection. Room parents will not be collecting money for class gifts nor will they be collecting SCRIP order forms. Participation is voluntary and you are still welcome to gift staff members outside of the SCRIP program.

The PTO hopes you'll remember all those staff members who go the extra mile and help make our school such a wonderful community. Every \$1 donation adds up.

If you have questions, please email the SCRIP Coordinator at:

bfascrip@gmail.com.
