

February Bookmark Contest

Create a colorful bookmark using the theme of PURITY—one of Ben Franklin’s 13 Virtues.

2 Winners per month:

One elementary and one middle school winner will be chosen for February’s virtue of Purity:

PURITY:

Be pure in thought and deed. White lies, a little gossip, and small mean words are painful and say more about you than about others. What you think about others is how you will treat them. Develop good thoughts and feelings toward all.

Winning entries will be professionally printed and distributed as bookmarks to students in grades K-5. For grades 6-8, the winning entries will be printed as a poster and placed on display in the middle school hallways. *All middle school monthly winners will be entered into a contest to paint the rock in May*
