AUTHOR VISIT @ Ben Franklin Academy

ASHLEY EVANSON Wednesday, November 8

In partnership with Tattered Cover Book Store, students will hear a special presentation by author ASHLEY EVANSON.

ASHLEY EVANSON is the author/illustrator of *Paris: A Book of Shapes*, *San Francisco: A Book of Numbers*, *London: A Book of Opposites*, and *New York: A Book of Colors*. Her newest book, *This Book Is Magic* is her first picture book. Ashley received a degree in journalism from Brigham Young University, and further studied illustration. Her style is whimsical and nostalgic, and the magic of childhood inspires her work. She lives in Colorado with her husband and three children. Although her occupation may be an author-illustrator, she believes her number one job is being a mother. There is nothing more magical or important than childhood and raising your little ones.

BOOKS ARE AVAILABLE TO PURCHASE AT THE SCHOOL, ONLINE AT TATTEREDCOVER.COM, OR USE ORDER FORM ON BACK!

Make some magic in this colorful, interactive picture book from the author/illustrator of the Hello, World board book series! Do you know that you're a magician? In this interactive book, use your fingers to perform all kinds of magic tricks. Tap a hat to make a bunny appear, recite a spell to make books bigger, say "Gone-zo " to make a ship disappear, and much more. But beware: the clever magic tricks don't always turn out the way you'd expect.

Reminiscent of Herve Tullet's, *Press Here*, kids and adults are sure to want to read this book again and again as they perfect their magic skills.
