

# STONE CANYON CLIFF NOTES

SEPTEMBER 2020 • ISSUE 1 • VOLUME 1

## HOWDY, FROM STONE CANYON!

The summer season, packed full of Day Camps and NEW Family Camps, is winding down! This summer we were very thankful to provide time for kids to disconnect from technology, reconnect with peers, to find some normalcy and connection in these unprecedented times. The Stone Canyon staff takes pride in COVID-safe protocols, keeping the health and safety of our visitors in high regard.

Kicking off the Fall 2020 season, Stone Canyon has many updates and some exciting announcements! We're creating a monthly newsletter to keep you up to date with the latest and greatest Stone Canyon has to offer-- make sure to sign up for our email list and 'like' the Stone Canyon Facebook page to keep in the loop. This season we'll be bringing outdoor education to schools and e-learners alike, while also offering monthly Family Camps, themed camps, and breaking ground on a new high ropes course!

Take it easy, and smile often!

## OUTDOOR ACTIVITY: TURKEY TIPS

Take Note of Hatch Health as a fun family activity! Late summer is a great time to take stock of the future turkey population. Use trail cams and scouting to determine the health of this year's hatch. Make a note of how many poults (baby turkeys) you find in the area, and 2 years from now, the dominant population of turkeys on your property will match this hatch!

DID YOU KNOW?!?

The top recorded speed of a turkey is about 55 mph!

## BREAKING: FAMILY CAMPS LAUNCH SUCESSFULLY

Stone Canyon has opened its doors to the entire family! Over the years, we've heard how many of our parents wish they could come to camp, join in on the fun, and share an experience with their kids. Families came together on four different dates this August to enjoy some good old fashioned fun in the canyon. Groups of 7-10 participants arrived at Stone Canyon at 9:00 am excited for an adventure-packed day, where each group got the opportunity to fly down the zip line, conquer the high ropes course, take aim at the archery range, and participate in hikes and games facilitated by Stone Canyon staff. Adventuring families worked up a healthy appetite, and enjoyed lunch and snacks provided by Stone Canyon before ending their day around 3:30 pm. Join us the last Saturday of each month for Family Camp - Don't miss out on the chance to bring your family to Stone Canyon!
