

Fall 2017 Community Events

Our Community Events
offer discounted tickets
AND raise money for
Douglas County Schools!

Take advantage of these exciting opportunities to enjoy fun experiences with friends and family while supporting your local community. A portion of each ticket sold will be donated back to Douglas County Schools.

In the 2016-17 school year, nearly \$10,000 was distributed directly to schools for their participation in our Community Events. Additional funds went to provide grant support to our students, teachers and classrooms. If you're looking for affordable family fun and want to raise some money for your school, participate in one of the many Community Events brought to you by the FDCS!
