FEED YOUR FAMILY WHILE SUPPORTING OUR SCHOOL!

Please join us as we work towards our goal of raising funds for the PTO as they support our staff and students.

WHAT IS MODERN PLATE?

Modern Plate is a locally owned and operated, family-run business. They deliver fully cooked, heat and serve, family-style (serves 4) meals within the metro area.

You can order by 10am on weekdays, and receive same day delivery to your doorstep! It's the perfect dinner solution for busy days.

HOW IT WORKS

Purchase your meals between November 5 and November 19 by visiting www.modernplate.com.

Use code 'BFA' at checkout in the coupon code box at the top of the screen.

Modern Plate will track our orders and donate back to Ben Franklin Academy.

YES, WE EARN 10% BACK!

We will earn 10% on all sales, including gift cards! Money will be used to support our students and staff.

Meals range from $19.99 to $37.99. Sides, soups, appetizers, and desserts are available as well.

WHAT YOU GET

Modern Plate makes small-batch, fresh meals and freezes them for convenience.

That means... no wasted food, no excessive packaging. Keep the freezer stocked to have on hand for an unexpectedly busy day!

No prep work either. Simple heat and serve instructions allow you to focus on the stuff that matters instead of cooking dinner (hello, multi-tasking)!

Each complete meal is chef-curated; including a protein, vegetable, starch and dessert.

SHARE OUR CODE

Anyone can use the coupon code, 'BFA', when ordering a meal.

Spread the word amongst your colleagues, neighbors, family and friends for our fundraiser to have a greater impact!

BUY A MEAL FOR YOURSELF OR A FRIEND!

These meals are not only an easy dinner for yourself, but also make a wonderful gift for a friend (get well soon, new parent, thinking of you, sympathy, congratulations, etc.)

Modern Plate serves the Denver Metro Area (Larkspur to Fort Collins, Boulder & the foothills).

If you'd like to send a meal to a friend, you are welcome to ship it to a different address and add a personalized notecard!
