# LSP YOUTH ENGAGEMENT PROGRAMS

## Youth Art and Writing Showcase

In order to promote art and writing among the future leaders of Sonoma County, Latino Service Providers is proud to highlight and recognize the artwork and writing of the talented local youth K-12 through the Youth Art and Writing Showcase. Each student that submits their art will receive a $5 gift card.

## Submit a Project

Many teens and young adults have extraordinary ideas to help their community, but are unsure of where to begin. This is why LSP provides funding up to $250 to help these aspiring community leaders bring their ideas to life. Past projects have included preparing care kits, emergency preparedness kits and art that helps beautify school campuses.

## Student of the Quarter

This program seeks to highlight and reward students for their community involvement. We are looking for students in the 10th and 11th grades who are making positive contributions to their communities in ways both large and small. Selected students will receive a $250 scholarship. Please note that anyone can nominate a student for this scholarship .
