

Strategies 2.0

Strategies 2.0 is a catalyst for the professional skills, organizational structure, and community relationships necessary to mitigate the risk factors for child abuse and neglect, and to promote child, family, and community well-being.

**We provide an integrated learning system that includes
TRAINING, CONSULTATION, and NETWORKING
for the family strengthening field.**

Trauma-Informed Care

This full-day training is intended for family strengthening professionals that work with children and families who may have experienced trauma. By the end of the day, participants will be able to define the types of trauma, describe the impact of trauma on the development and well-being of children, adults, and family support staff, and identify strategies for responding to trauma and resisting re-traumatization.
