Sermon Series Overview

Thanks be to God

Christian gratitude is more than counting our blessings. It begins by recognizing God's grace and faithfulness and allowing that gratitude to shape how we live. In this three-week series through the Psalms, we'll explore three movements of gratitude: Remember, Receive, and Respond.

November 1 - November 15, 2026

"Remember" | November 1 | Psalm 145:3-7

On All Saints Sunday, we remember the people who have shaped our lives and faith. As we celebrate the generations through whom we have experienced God's goodness and faithfulness, we join the Psalmist in saying: Thanks be to God.

"Receive" | November 8 | Psalm 23

Psalm 23 reminds us that God's care is present in green pastures and dark valleys alike. This week, we'll notice and receive the many ways God's presence, provision, and care surround us, even through the ordinary people in our lives. Thanks be to God.

"Respond" | November 15 | Psalm 116:12–19

God's grace is a gift we can never repay, but gratitude invites a response. Having remembered God's faithfulness and received God's care, we ask how our lives might become an offering of love, generosity, service, and care for others. Thanks be to God.
