EDUCATION

MEDTECHVETS

MedTechVets bridges the gap for Veterans by providing personalized career transition services, mentorship, and career development guidance. We serve Veterans who plan to enter the MedTech, Life Sciences, Pharmaceutical, or Medical Device industries. Learn more about MedTechVets at **www.MedTechVetch.org**

The Intermediate Care Technician (ICT) Program is a program designed to hire former military corpsmen, combat medics and medical technicians into positions at VA Medical Centers as an integral part of the medical team. An ICT's Scope of Care permits maximum utilization of the skills, abilities, and experience former enlisted allied health professionals have acquired during their Active Duty, Guard, and Reserve service. **Click here to learn more**.

Accenture's Skills to Succeed Learning Exchange helps transitioning military, guard, reserves, and veterans, build the knowledge and skills to get a job and succeed in that job. Developed with their non-profit partners, the

Learning Exchange offers a blend of online or smartphone training to learn the basics, and then workshops to build deeper skills and receive coaching. Learners have access to 153 free online & smartphone courses **Learn more here.**

OPERATION SKILLBRIDGE is an industry-driven, community-led initiative designed to help close the skills gaps of service-connected members through upskilling, reskilling, and internships. Aligned with DoD Skillbridge, local and national employers, and COURSERA's free online courses, Operation Skillbridge is a four-step process. **Learn more here**

YOUR BRIDGE to a BRIGHTER FUTURE

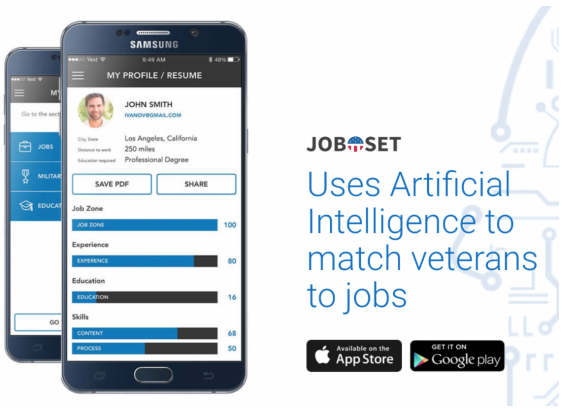

CCS Learning Academy provides career resources, training, and job placement services for Veterans navigating the path to rewarding and lucrative careers in the IT sector. Their dedicated team works with both experienced and newly-transitioning individuals, helping them leverage their military backgrounds to land interviews and earn the key certifications necessary for today's most in-demand, high-growth technology jobs ...**Read more.**

MANAGING YOUR TRANSITION TIMELINE 365:

NVTSI and its partners recently launched a digital transition assistance app called MYTT365.online. The app is designed to automate the military to civilian transition process and make transitioning easier. It also has a transition assistance managers dashboard that enables community transition assistance managers to monitor the readiness of transitioning service members, facilitate a warm hand-off to local community resources, and connect them to trained civilian veteran peer navigators. To start managing your transition goto **www.MYTT365.online**

JOIN THE WEEKLY MUSTER

Designed to connect Transitioning Military, Veteran, Spouses, Guard & Reserve members, the Weekly Muster helps you stay focused on your successful transition through ongoing training and self-evaluation. Occurs every Saturday at 11am (PST) On Google Meet. **www.weeklymuster.online**

COMMUNITY PARTNERS

U.S. Veterans Magazine (USVM) is the premier resource magazine for transitioning service members, service-disabled veterans, veteran business owners and their spouses and families. USVM is the link between the qualified students, career and business candidates from the ranks of our nation's veteran organizations, educational institutions, corporate America, and the federal government. **Subscribe for FREE today!**
