The City of Richmond is **Building Community** but we cannot do it alone. Together, we will build the city where people of all backgrounds, ethnicities, socioeconomic status, religious beliefs, and sexual orientation want to live, work, play, and raise a family.

The Richmond Police Department is a key component in **Building Community**. Community Conversations with Chief Smith is one of many initiatives that looks to bring our city together to talk and listen to one another.

Let's Build Community Together!
