

Graduation Attestation Wavier

I, _____ (Print Name), am aware that I have NOT complied with the academic requirements and/or some of other requirements that are expected of me, in order to complete my studies and earn a degree from Eastern International college (hereinafter, also referred to as: the college).

I am fully aware of the fact that I will not be awarded a degree, nor will I be able to represent myself to anyone, or to any entity, as being a graduate of Eastern International College, UNLESS AND UNTIL I fulfill all of the requirements that are outstanding and that have been made known to me.

Knowing all of the above and acknowledging the truth of everything that is stated above, I am requesting permission to participate in the graduation ceremony that is presently scheduled to take place on or about May 24, 2019. I am fully aware of the fact that participating in the graduation ceremony does NOT imply that I will be awarded a degree at any time in the future. I am also aware of the fact that although I might be permitted to participate in the graduation ceremony, I must NOT represent myself to anyone, as being a graduate of Eastern International College. I hereby represent to Eastern International College, that I will NOT represent myself as a graduate of the college UNLESS AND UNTIL I fulfill all of the requirements that are outstanding and unsatisfied at this time.

I am aware that I must complete all of the academic requirements and all of the other requirements that are demanded of students, such as myself, in order to represent myself as a graduate of the college, or as someone who holds a degree from the college.

If my request for participating in the graduation ceremony is granted, I know that it is NOT a representation from the college, that I will later be awarded a degree.

The only reasons for my request to participate in the graduation ceremony are set forth in a memo signed and dated by me, that I have submitted to the college and the CEO has also signed, dated, and returned a copy to me.

Student Signature _____ Print _____ Date _____

Eastern
International
College

I, attest that the training I have received at Eastern International College was not complete at the time of my "Pinning Ceremony". I am fully aware that all educational and financial obligations must be met before I can pick up my diploma and be considered a graduate of Eastern International College.
