**Date:** Saturday, October 28, 2017

**Time:** 10:00 am – 12:00 noon

**Location:** North County Regional Education Center  
255 Pico Avenue, San Marcos, CA 92069

**Cost:** No cost for parents, students and staff of NCCSE school districts\*

**Audience:** This event will be of interest to any student and/or family who has a student with an IEP that wants to learn about the adult support and further education options available to students after they exit from high school or adult transition programs. Whether their student is working towards a diploma or a certificate of completion, this event will feature transition information from which ALL students may benefit.

The first 20 minutes of the morning will feature speakers from the CA Department of Rehabilitation (DOR - 10 minutes) and the San Diego Regional Center (SDRC - 10 minutes). Speakers will briefly describe the various services that can be accessed via the agencies with which they vendor.

The remainder of the morning will feature a breakout-style opportunity for families and students to meet representatives from each agency or program in attendance. Recognizing that not all individuals may be clients of DOR or SDRC, this event will also host agencies and programs that provide a broad range of post-secondary options to ALL individuals.
