IMPORTANT REMINDERS:

- Please note the time for your tour and be in the bus loading area at that time. Due to production schedules, all tours must leave on time and cannot wait for “slow shows”.
- Factory tours use the Royal Excursion Buses. They will load on the north side of the ECCC in the big parking lot where you checked in for parking.
- Be sure to bring your factory tour tickets. If you do not have a ticket when you get to the bus, you will be treated as a “stand by”.
- **Please wear closed toe shoes if possible. Safety glasses will be provided if needed.**
- During your tour, please stay with your group. If you need to leave the group for any reason, please let your factory tour guide know.
- Following the tour, re-board the bus promptly for the return trip to the fairgrounds.
- If you do not get a ticket for the tour you want during registration, you are welcome to check at the FROG Office in the vendor building for tickets that were returned, or go to the bus boarding area at tour time. If there are seats available due to last minute “no shows”, we will load “stand bys” until the bus is full (54 passengers).
