

2025 FROG International Rally

Frequently Asked Questions

Here are some of the questions that we often get regarding the FROG International Rally, along with the answers to them. We'll be adding more as time goes on.

When is the 2025 FROG International Rally?

The FROG Rally will be held August 10-16, at the Elkhart County 4-H Fairgrounds, 17746 County Road 34, Goshen, IN 46528.

How do we register to attend the FROG International Rally?

Registration will open online on Wednesday, May 7, at 12:00 noon EDT. The registration link will be under the "Events" tab for the FROG International Rally, or you can go to www.frogrally.com.

When registering, please select EITHER "RV with 2 Adults" or "RV with 1 Adult." Use the "Additional Adult" option if you have more than two adults (age 12 or over) in your RV. Use "Additional Child" for any children accompanying you in your RV.

Once you select your ticket(s) and hit "Buy Tickets," you have 30 minutes to complete your registration. During that time, the tickets are saved for you and no one else can take them from you. It typically takes about 5 to 10 minutes to complete the registration process. **PLEASE** use the time to enter your information carefully and accurately.

If you need to make changes later, for example to add a tour, please be sure to use the same Buyer Name and e-mail address used on the original registration. This assists greatly in making sure that the tickets on the two registrations are combined.

How much does it cost to attend?

The cost to attend the FROG Rally is:

Two Adults in an RV	\$ 750
One Adult in an RV	\$ 550
Additional Adult Age 12 or Over *	\$ 200
Additional Person Under Age 12 *	Free
* as of 8/10/2025	

PLEASE NOTE THAT OUR TICKETING SOFTWARE ADDS A 1% FEE TO YOUR TOTAL TRANSACTION IN ADDITION TO THE AMOUNTS SHOWN ABOVE.

Do you have day tickets available?

No. Tickets for the FROG Rally are sold as a package, including camping, meals, entertainment, and everything else included at the event. Optional area tours are available at additional cost.

I just want to drop by and take in the seminars, shop the vendors, etc. Can I do that?

That would be unfair to those who have purchased a ticket to attend and who help to cover the costs of putting on the FROG Rally.

Can I camp somewhere else and come to the FROG Rally?

No, for the same reasons noted above.

Do we need anything special to register?

Please have your 17-digit VIN (Vehicle Identification Number) when you register. Even if your RV is not eligible for service, we will review every VIN to determine whether you have any outstanding recalls and will attempt to address them at the FROG Rally. Getting your VIN at registration saves a tremendous amount of follow-up time and work.

Is there a cancellation fee?

Yes.

CANCELLATION POLICY

There is a \$100 registration cancellation fee before July 1. From July 1 through July 31, the cancellation fee is 50% of registration and tour fees. On or after August 1, there are no refunds.

How do we register for optional tours at the FROG Rally?

You can register for the optional tours when you register for the FROG Rally itself. You can also come back and register for tours later IF THEY'RE STILL AVAILABLE. There are eight tours available with about 480 seats in total, and most tend to fill up before the rally sites fill. There will be a standby list

for both the FROG Rally itself and for the optional tours when they are filled.

There is an additional charge for the optional tours. The cost of the tours is NOT included in your Rally registration fee. All optional tours include bus transportation, all admission fees and tips, and either lunch or dinner as shown in the tour description.

NOTE THAT TOUR TIMES OVERLAP, so you cannot attend two tours on the same day.

We'll post a separate list in advance showing all of the tours, including dates, time, features, and prices, so that you can review them to know what you want before registration opens.

Are tour buses handicapped accessible?

The bus company has a limited number of lift buses available, and we cannot guarantee that we will have any available. If you register for a tour, we ask if anyone in your party has a mobility issue. If you have a mobility issue, please also send Beth an e-mail at baroberts@forestriverinc.com so that we can contact the bus company.

Can I take my walker or motorized scooter on a tour?

Walkers, crutches, and other non-motorized devices are allowed and can be stored under the bus. If you register for a tour, we ask whether anyone in your party has a mobility issue. If you need to bring your motorized scooter, please send an e-mail to Beth at baroberts@forestriverinc.com to let her know so that we can arrange in advance with the bus company to have a ramp available for loading the scooter.

If I have tickets for an optional tour and decide not to go, can I get a refund or sell my tickets?

Prior to the event, a cancellation fee will apply.

Once the rally starts, we are not able to refund your tickets on optional tours because we've already made all of the non-refundable payments. In the FROG Rally Office, located in the vendor area, there will be a bulletin board where you may post that you are trying to sell or buy tickets for a tour. The transaction is strictly between the seller and the buyer. **HOWEVER**, if you sell your tickets, please let a volunteer in the FROG Rally office know the name of the buyer so we can update the tour roster to speed boarding the buses.

Is there entertainment at the FROG Rally?

We have scheduled award-winning entertainment for two nights.

On Wednesday we'll enjoy the sounds of Ron Moshier, the 2023 and 2024 Rio Grande Valley Entertainer of the Year and 2023 and 2024 Small Band of the Year. Ron began his career with lessons at age 8, formed his first band at 18, and began touring nationally at 25. For over thirty years he's been entertaining in the Rio Grande Valley and touring the country. Enjoy his "Full Band Sound in a One-Man Band."

Friday we'll return to the days of the Drive-In and the Sock Hop as we welcome back The Bulldogs, a FROG favorite. The group was voted "Best Oldies Performers nine years in a row by readers of *Whatz Up Magazine*." The Bulldogs play music from 1955-1969, including tunes from Buddy Holly, Bill Haley, the Beatles, Wilson Pickett, the Righteous Brothers, Chuck Berry, Outsiders, the Monkees, the Moody Blues, Little Richard, Roy Orbison and many more. They have been the featured performers on 17 cruises throughout the Caribbean and Mexican Riviera.

May I bring a golf cart?

You may bring a personal golf cart. Anyone driving it must be a licensed driver aged 16 or older.

Do you have golf carts for rent?

We don't rent golf carts, but we have a system of golf cart "limo" shuttles that can transport you to most locations on the fairgrounds.

May I bring a bike?

Yes, you may bring a bike and ride it on the fairgrounds. Most of the streets are paved. We ask that you be especially cautious around Building A, where we eat, and the vendor area, which are the most congested areas. In addition to the fairgrounds, there are paved walking / biking trails throughout Goshen and to neighboring towns. There is access to the trail system across the street from the fairgrounds, near the railroad tracks.

Will factory service be provided at the FROG Rally.

Yes. Factory service will be available to original owners of 2023 and newer model RVs. There will be a separate article on how to request service. All ser-

vice requests are subject to approval by the manufacturing division. Please note that we have crews working outside on the fairgrounds, and there are some requests that simply cannot be completed there. In addition, parts shortages and other supply chain issues might not allow us to complete some requested service.

If you are having service done inside of your RV and have a pet, the pet must be crated or removed for the safety of the technicians, as well as to prevent your pet from accidentally escaping from the unit.

There is a link on the registration site about the procedure and deadline for requesting service.

May I drive my car or truck around the fairgrounds?

Because of congestion, we ask that all cars and trucks remain parked unless you are leaving or re-entering the fairgrounds.

Is there public transportation in Goshen?

Goshen has limited public transportation. Uber is available, and there is an Enterprise car rental facility a few miles away.

Will there be factory tours? How do we register for factory tours? Is there a charge?

Right now, our factories are closed to tours, and it's not certain that they will be available during the FROG Rally. We will make an announcement as we get closer. If we have tours, there will be no charge for them.

Can we arrive early? How do we make reservations?

Early parking begins Thursday, August 7. Except for members of the Parking and Registration Teams who are required to come in early for training and orientation, no early arrivals will be allowed before Thursday.

EARLY ARRIVAL DOES NOT GUARANTEE THAT YOU HAVE A FULL HOOKUP (SEWER) SITE.

Can we stay following the FROG Rally?

There is another group coming starting on Monday after the FROG Rally ends. Limited parking will be available Saturday and Sunday nights, with early departure on Monday. Please check with the Fairgrounds for availability at (574) 533-3247. You will

make payment directly to the Fairgrounds for extra nights following the rally.

If you need to stay longer, public campgrounds are available in Elkhart, Shipshewana and Middlebury.

Are children welcome at the FROG Rally?

Children are always welcome at all FROG events.

Are pets allowed?

Pets are allowed with normal restrictions. They must be on a leash, not left outside unattended, and the owner is responsible for cleaning up after them.

Only Service Animals as recognized by the ADA are allowed in the buildings on the Fairgrounds.

If you are having service done inside of your RV and have a pet, the pet must be crated or removed for the safety of the technicians, as well as to prevent your pet from accidentally escaping from the unit.

Do you provide a pet-walking service?

We do not have a pet walking service. However, in the past, some of our members have had success locating dog walkers using the Rover app or other resources.

Will we have electricity / water / sewer / full hookups?

All sites have either 30 or 50-amp electric service (we can't guarantee which one) and water. Please be sure you have a power adapter (dog bone), 50 A to 30 A, with you if you have a unit that uses 50 Amp service. Adapters are not available for sale or loan at the fairgrounds, and there are limited opportunities to purchase them in Goshen.

About 200 sites have a sewer hookup (we can't guarantee that you'll have one), and the rest will have the option for a free pump-out midweek. It helps if you can arrive with empty holding tanks. There is a place to dump if you need to empty your tanks on arrival. Please do not dump anything from your tanks on the ground.

Early arrival does not guarantee that you will have a full hookup (sewer) site.

How many meals are included?

The FROG Rally includes four dinners -- Sunday, Monday, Wednesday, and Friday -- and six breakfasts, Monday through Saturday. In addition, each of our optional tours includes either a lunch or a dinner.

The tours are scheduled on Tuesday and Thursday so that you don't miss out on a dinner at the Fairgrounds.

Who will be catering the dinners?

Nelson's, who has been our caterer for all but one of the FROG International Rallies, will be catering our meals again this year.

Do you have meals for special diets – allergies, gluten-free, etc.?

Unfortunately, in serving over 10,000 meals during the week, we are not able to survey for individual diet needs and prepare special menus. There are likely some gluten-free and vegetarian items available at each meal (ask the caterer), but we do not prepare individual alternative meals.

Do you have reduced-price reservations if we don't want to have the meals?

No, the volume of people and the need to create meal tickets and monitor who does and does not have them is simply not practical.

Do you have reduced-price reservations if we just want to come for a few days?

No. If you make a reservation, you're welcome to stay for the week and participate in all FROG Rally activities. We are not able to use that site or transfer those meals to someone else.

Is handicapped parking available?

We have close-in parking available for folks with mobility issues so that you're close to meals, entertainment, vendors, seminars, etc. We don't require that you have a handicap sticker, just that you be honest about the need because of the limited number of spaces available. Handicapped parking does NOT guarantee a full hookup – in fact, the closest spaces don't have full hookups. If you have a MEDICAL NEED that REQUIRES a full hookup, please let us know when you register.

Will there be a Forest River RV display? Can I buy an RV there?

Yes, we will have a cross-section of Forest River products on display. You can speak with a sales representative at the display who can help you with arrangements for purchasing a unit during the FROG Rally. The sale will be routed through a dealer in your area to ensure the availability of follow-up service if it's needed.

Is alcohol allowed at the FROG Rally?

FROG does not serve alcohol at any of its events. However, if you are legal (age 21 or over) and are behaving responsibly and courteously, you may have alcohol to consume at your site, or to take to another campsite for consumption. You may also bring wine or another beverage to dinner for your private use. Please do not consume alcohol or have open containers around the grounds outside of a campsite, especially while using a golf cart or any other vehicle.

How can I volunteer to help at the FROG Rally?

Volunteers are always welcome and are the lifeblood of the FROG Rally. We have a lot of jobs that need to be done before, during, and after the event. These include parking; registration; setting up and cleaning chairs in the dining room and seminar areas; covering tables in the dining room; driving golf cart shuttles; loading buses for tours; hosting in the Rally Office; assisting vendors in locating their sites; and much more.

We have a place on the registration form where you can volunteer. We'll start contacting volunteers to assemble Parking and Registrations Teams a few weeks after registration opens. We can't guarantee that we'll have spots for everyone who volunteers for parking or registration, but we'll have a lot of other jobs that we'll need to fill once the rally starts. There will be sign-up sheets available when you check in at the rally.

If you are on the Parking or Registration Team, we need you to arrive on Monday, August 4 for training and to help with various setup and preparation tasks. If there are two of you in the RV, we ask that both volunteer. No other early arrivals are allowed before Thursday.

My friend and I want to park together. Can we do that?

We will try to honor requests for two or three people to park together, but we MUST know about the request ahead of time. You and your friend should both make a note giving each other's names under "Parking Requests" when you register and must arrive at the fairgrounds together. We have a lot of traffic in the parking reception area, and we can't take the time to change parking assignments there. We park most areas "hobo-style," with each unit going into

the next available space, and we can't hold a space next to you for your friend to arrive later.

Will you park everyone with my brand together?

Over the past years we have parked a few brands – primarily those with clubs that pre-date FROG or pre-date their acquisition by Forest River – together. We don't currently anticipate that we will park additional brands together.

May I attend the FROG Rally in an RV that wasn't built by Forest River?

No. FROG Rally attendees **MUST** be in an RV built by Forest River or one of its affiliated brands, including Coachmen, Dynamax, East to West, Palomino, Prime Time and Shasta. "SOB" (some other brand) RVs are not allowed. They will be turned away, and the reservation will be treated as having been cancelled by the owner with no notice and with no refund payable.

Can we have a pot-luck meal on nights when we don't have dinner?

We will have a few pavilions set up with tables and chairs that can be used for pot-lucks, games, or just to relax. If you'd like to use one, please check at the FROG Rally Office to be sure that it's available.

Is help available in case of illness, accident, or other health care situations?

We will have EMTs from Goshen Fire & Rescue on site from 8 a.m. to 5 p.m. Monday through Friday and during evening entertainment.

Goshen Hospital, a full care hospital and emergency facility is about two miles away. If you need a prescription refilled, Walgreen's, CVS, and Walmart are all located within about a mile or so.

For pet care, a veterinarian is located nearby.

More information will be included in your registration packet.

What do we do in case of inclement weather?

The Fairgrounds are equipped with a siren warning system in case of severe weather. There are three designated storm shelters on the grounds:

- the basement restrooms on the west end of the Community Center, next to the Main Gate on Locust Street where you enter the fairgrounds
- the Home and Family Arts Building on Maple Street
- the restrooms in the southwest corner of the dining room

Please make a point of locating these sites in advance of the unlikely chance of needing them. If we have inclement weather during parking or other outdoor activities, we may suspend those activities until the weather has cleared.
