

### **Who We Are:**

The Springfield City School District, home to The John Legend Theater, is seeking a Family Consumer Science Teacher at Springfield High School for the 2022-2023 school year. We are a nationally ranked Division I District serving approximately 7,500 Pre-K through grade 12 students, in a vibrant learning community of 17 state of the art buildings in west-central Ohio. The Springfield City School District values the racial, ethnic and socioeconomic diversity of our student body, faculty and staff. Our academic and extracurricular aim is to ensure social and emotional learning growth for students with a wealth of opportunity, including a 1:1 initiative and the YouMedia Center, which is a digital learning lab offering students activities such as 3-D printing, graphic design, and videography. We are Wildcats!

### **As a Teacher you are required to:**

- Must possess or have applied for a Family Consumer Sciences Teaching license issued by the Ohio Department of Education. Candidates with educational licensure in any field or with a degree in a Family Consumer Science field will be considered with stipulation of completing State of Ohio supplemental licensure or alternative licensure pathway specific to Family Consumer Science.
- Must be knowledgeable in the use of technology and educational best practices
- Be flexible in your work schedule and be willing to attend/participate in professional development sessions
- Be willing to serve on teams
- Have the ability to relate to and teach students with diverse backgrounds
- Demonstrate enthusiasm in your role

### **As a Teacher you will be responsible for:**

- Developing lesson plans and instructional materials and providing individualized and small group instruction to meet the needs of each student.
- Managing an organized and professional classroom that is conducive to learning and the development of the whole child.
- Fostering a cooperative and respectful partnership with families and encouraging parent involvement through classroom observations and volunteer opportunities.
- Maintaining close relationships with parents, communicating on a regular basis, specifically in regards to at-risk students as defined by the Third Grade Reading Guarantee.
- Actively engaging at-risk students in the learning process; planning and using appropriate instructional and learning strategies, activities, materials, and equipment that reflect understanding of the learning styles and needs of students.
- Recognizing the needs of individual students and the entire group and offering support and flexibility as needed.

- Working as part of a cooperative and diverse team of educators and administrators to carry out the goals of our District.
- Utilizing technology to strengthen the teaching/learning process.
- Participating in professional development activities that are aligned with district and building goals, assigned subject content and the varied needs of students.

**What We Offer:**

As a contracted employee, Teachers work 183 days per year and 7.25 hours per day.

Starting salary is \$40,102.00 with increases for additional education and experience.

Contracted employees receive competitive benefits.

All employees receive professional development
